Janice,
Well here goes for the last time and now that we will have graduated in a week and I'm full of happy-sad tears the words are even harder to come. But I know that nothing which has ever stirred the heart can be lost to us. Love ya Gracie "75"

Janice, I just want to tell you that it has been a distinct pleasure going to school with you this year and I hope to do it AGAIN real soon - ha.

Stay kind

Dan Bar.

Janice, I just know what the time of your lives hope for. I sincerely hope that your high school years & memories that great and wonderful as I remember, life is what you make it. Stay sweet for a fond always.

Love, Bruce '76

Janice,
It was a wonderful year and I'm so glad that we had the opportunity to share it together. I hope you have a wonderful life and a place beautiful as you are. Love Bacat '75

Janice,
We've cheered together for a lot of years but there is something about a senior year that makes it so much more exciting. It was great having classes with ya - especially good ole bookkeeping -
I think all the memories of our senior year are happy ones and even though we're all going our seperate ways the class of 75 will always be alive!
The best of luck in the future
Love.
Darlene

Janice,
It's been nice knowing you. I hope you will always be my friend. I wish you all the happiness and the sweetest future there ever be.
Love

Some students find their place in extracurricular activities of McComb High. These activities are as varied as the students themselves. Some students express themselves in band activities, choral singing, or debate. Others become involved in sports activities or publications. Some students take on the responsibilities of part time jobs. Some become involved in just being uninvolved. Whatever the interest of the student, McComb High can usually provide the means.

Regardless of the student's interest in extracurricular activities, he has a place. Each student plays a valuable role in completing the total extracurricular picture. Every student has an individual spot, a personal place and position in the activities of McComb High.

New School Year Brings Changes

The 1975 school year brought many improvements in the school building. Never more would the students leave fourth period English with curvature of the spine induced by medieval furniture. NEW DESKS!

Dropped contact lenses became easier than ever to find with the removal of those blasé light globes. NEW LIGHTS!·

One could no longer decipher the hieroglyphics scrawled on the walls by frustrated (or paperless) writers. NEW PAINT!

Gone were the days of buying soft drinks for fifteen cents or candy bars for a dime. Senior ring prices failed to be humorous in the least. NEW PRICES!

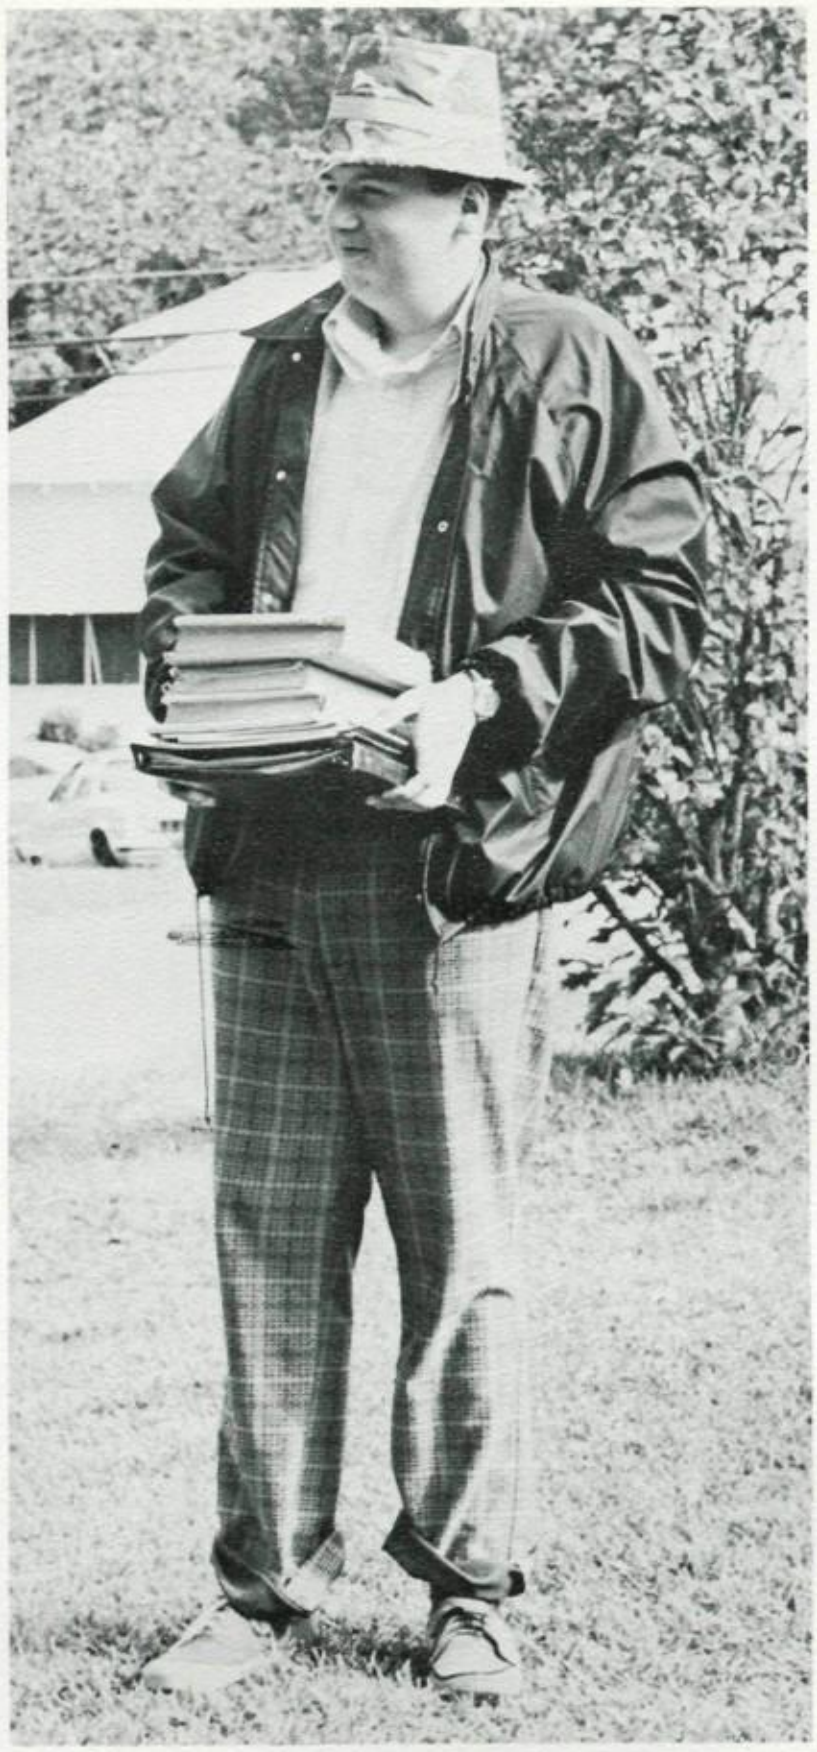
McComb High Tigers opened the football season with a 20-0 thrashing of rival South Pike. Fired by the opener win, the student body supported the Tigers as they went into the Moss Point game on September 20. The Tigers went down fighting as they fell with a 23-7 loss. School spirit remained high as the Tigers stayed home for Hattiesburg clash. The pep rally raged with customary furor and the team went into the game with renewed spirits. The Tigers' enthusiasm was stunned, however, as they lost the game 34-14. The story remained the same as the Tigers were defeated by Gulfport East, South Natchez, and Luarel. Enthusiasm remained high, however for Picayune and Homecoming came next . . .

"My Ears Rang For Hours"

That one hour will probably remain in students' minds for years to come. For a solid week, students worked toward that one hour, the Homecoming pep rally. As the time drew nigh, the excitement became unbearable. Students poured into the auditorium and raised that old roof. They screamed, cheered, chanted, and piled the floors with confetti. When it was finally over, everyone agreed, "This one was the best yet."



The entire week before Homecoming was a memorable one. Students braved the discomforts of unmatched shoes, Halloween costumes, fifties dress and old folk's attire all for the sake of spirit. Students worked until all hours on their "winning" float and class signs, all for that one unbelieveable day.

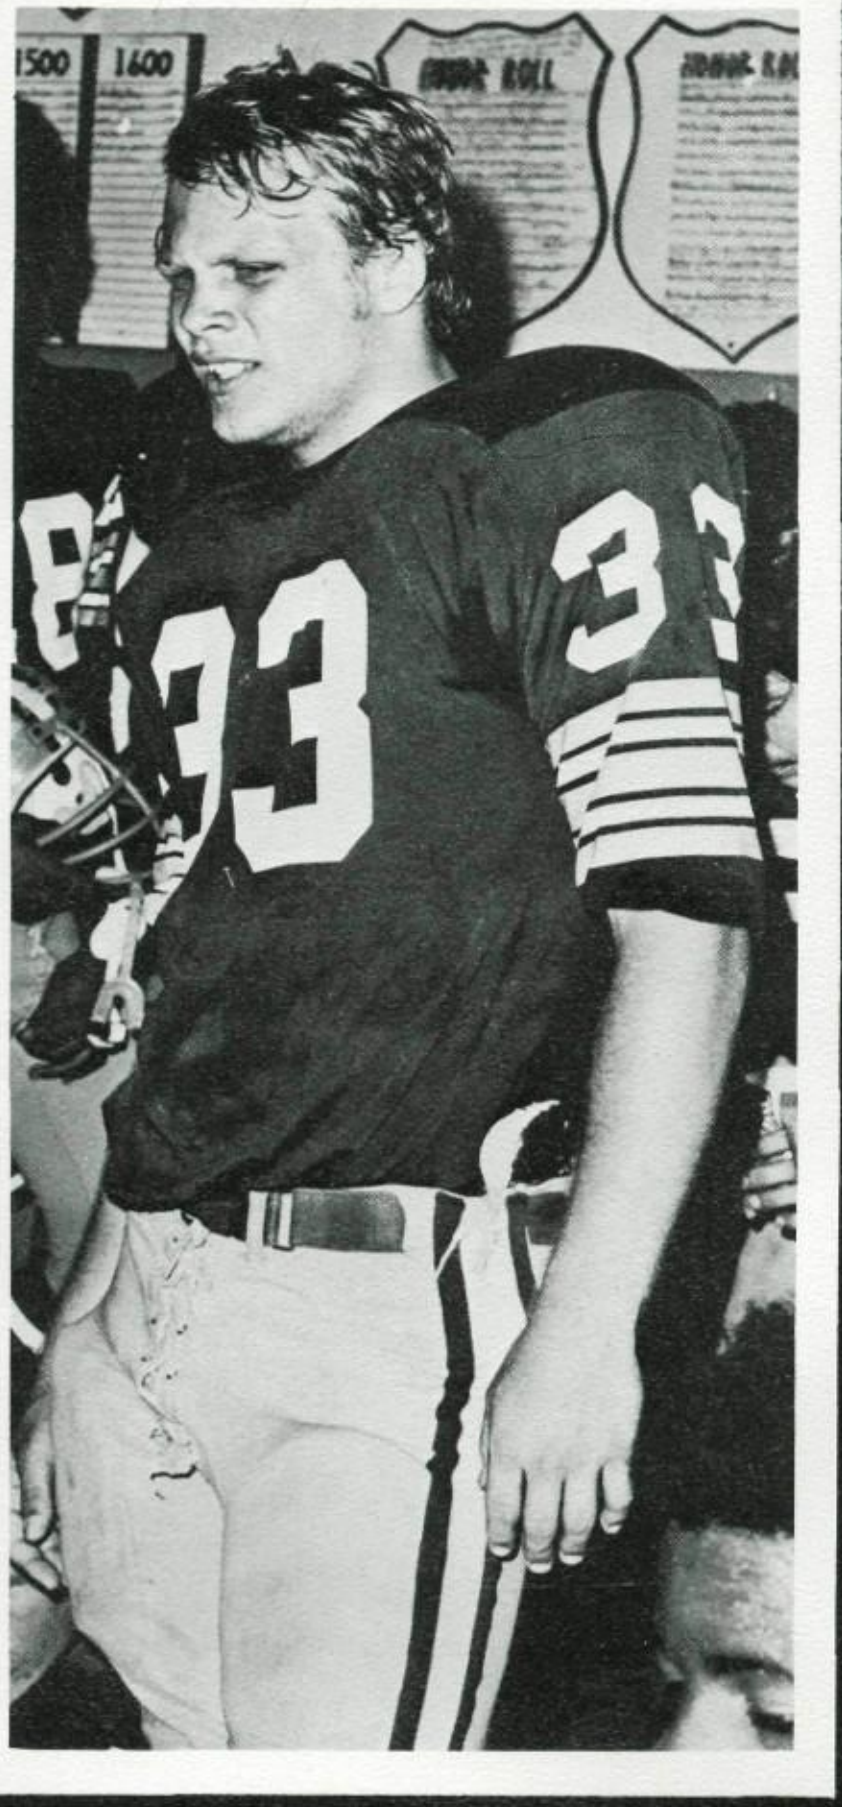
OnePointOnePointOnePointOnePoint . . .



That was the thought running through almost every student's mind as the clock ran out. The work, the floats, the deafening pep rally, and then a one point loss. The Tigers took an early lead in the game and expected an easy victory. With a twenty point lead the Tigers relaxed and looked for a cinch win. Picayune opened up and it became a tie ballgame with moments to spare. The Tide went for the extra point . . . and it was good. As the seconds ran out the tears did likewise and the Homecoming game ended 35-34 Picayune . . . ONE POINT!

Tigers Take North Natchez

The Tigers came out of the Homecoming defeat with three games left in the 1975 season. The team went into the Lanier game with a determined will to win but came away with a defeat. Their hard luck changed though as the Tigers fought their way over North Natchez 30-27. The season closer came up next against the traditional rival, Brookhaven, The Tigers struggled to end the season on a winning note, but their hopes were dashed as the Panthers clawed their way to a 14-7 FINIS.

Football Cheerleaders Keep Spirit High Despite Record

Throughout the 1975 football season the spirit remained high with both the fans and team members. The football cheerleaders were largely responsible for the exciting pep rallies held during the season.

Headed by Darlene Godbold and sponsored by Mr. George Burris, the cheerleaders held rallies during recess, after school, and at night to promote Tiger spirit. Football cheerleaders included: Darlene Godbold, Janice Nunnery, Kathy Robertson, Cindy McDonald, Jill Murray, Lauren Wiltshire, Janice Coward, Sherri East, and Elizabeth Barnes.

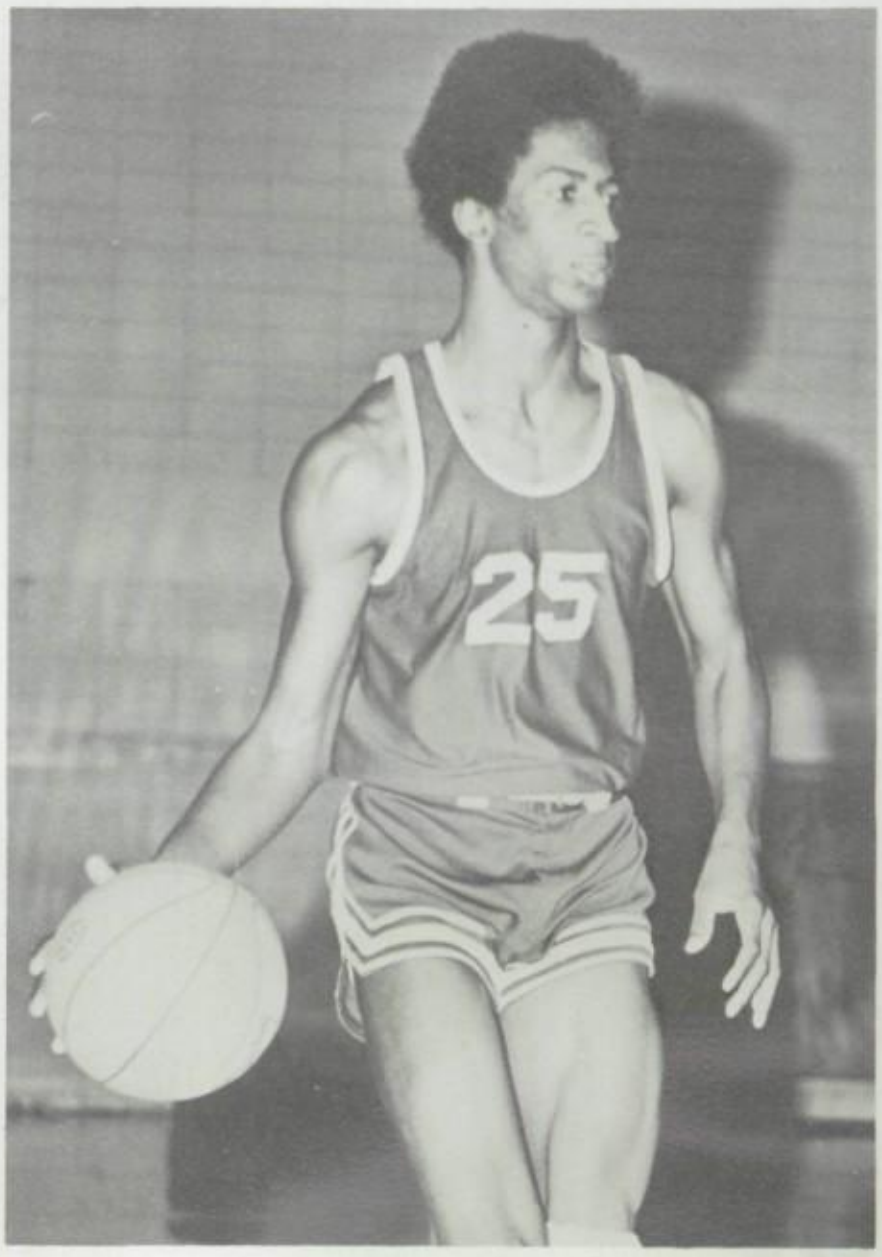
Tiger Take McComb Tourney!



The MHS Tigers opened up the 1975 cage season with a loss ot Picayune. Undaunted by an opening loss they came back with two consecutive wins, over North Natchez and Hattiesburg. Following these wins came a four point loss to Tylertown, and finally a win over Laurel.

The following week the Tigers hosted the McComb Tourney and won their own tourney for the first time in years. Tourney wins included Franklin County, North Natchez, Brookhaven, and Jim Hill.

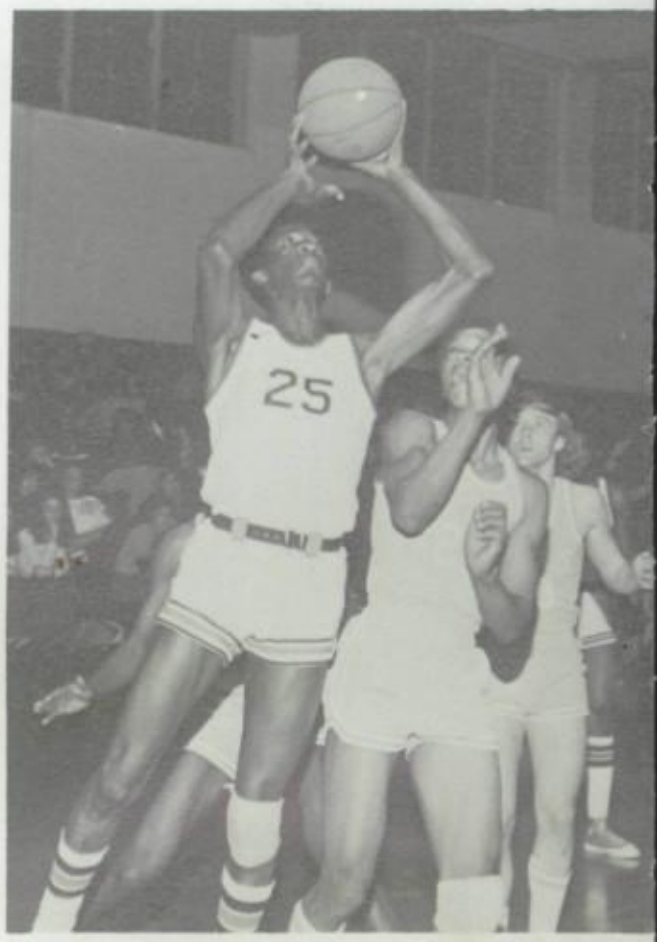
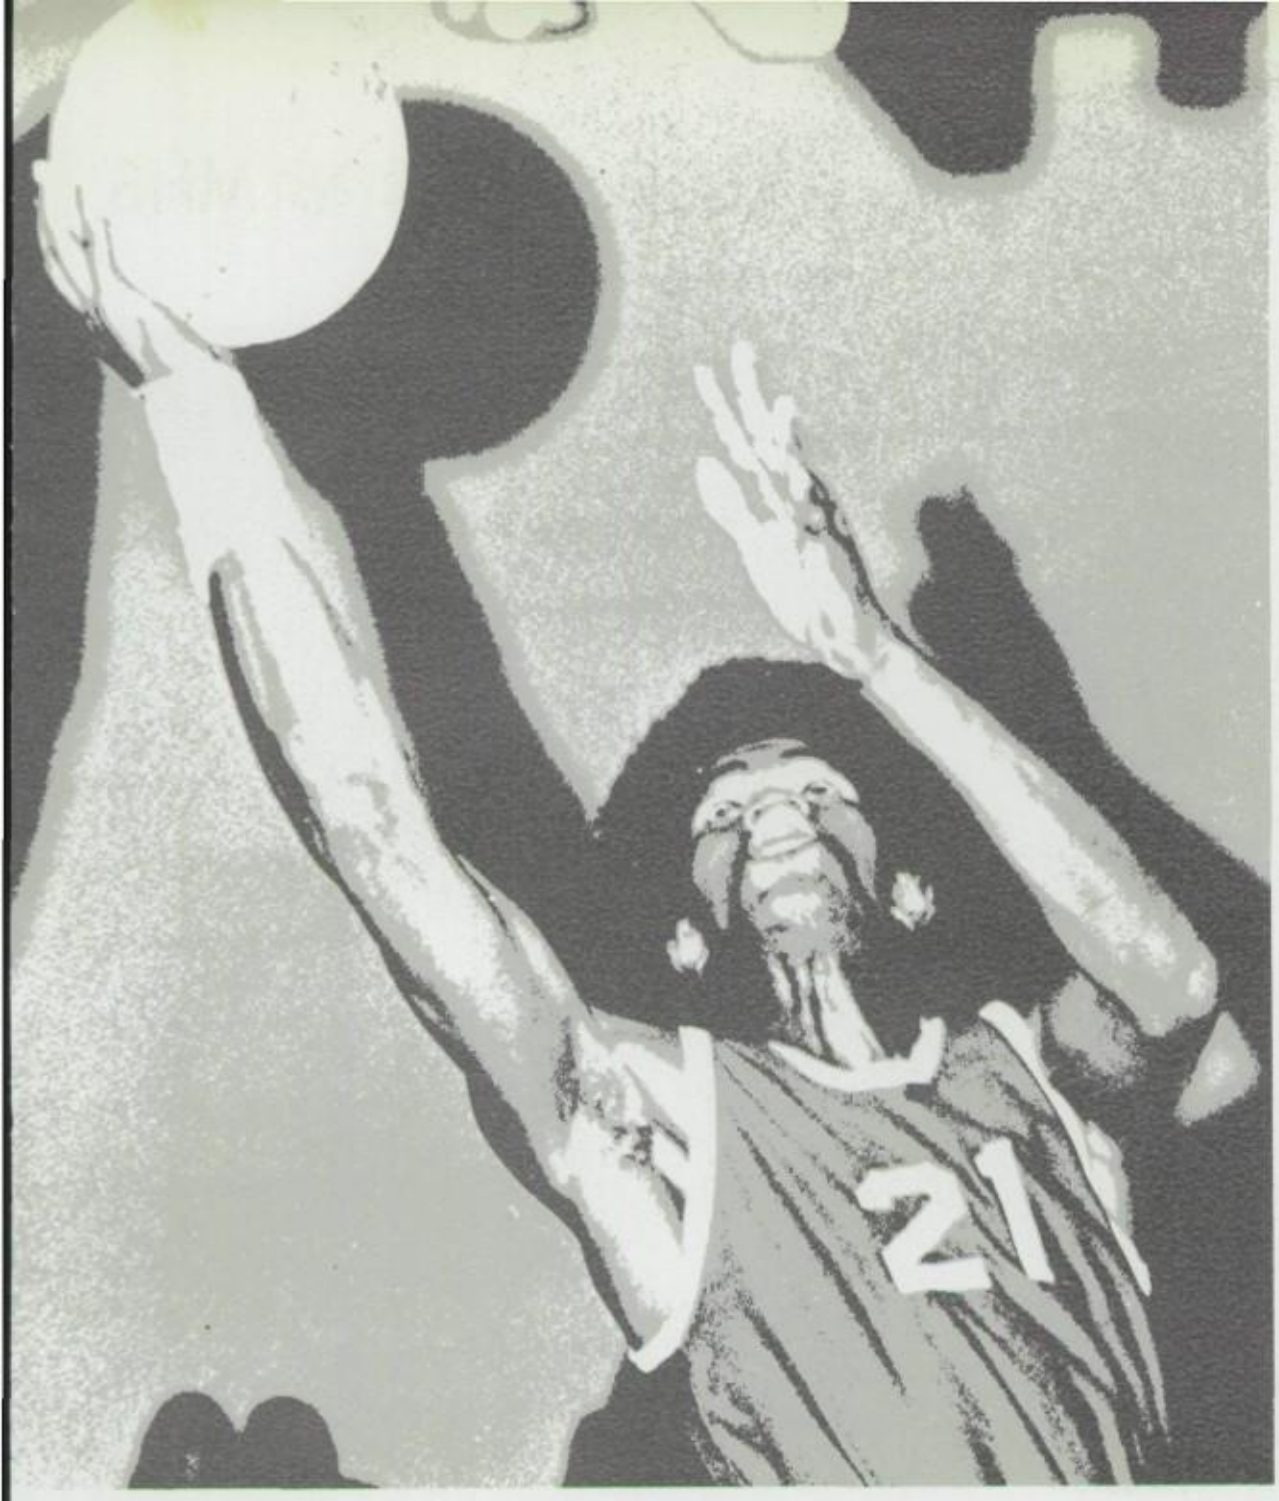
Bogue Chitto and South Pike Tourneys Fall to MHS





The Tigers followed their tourney win by scoring a win over traitional rival Brookhaven. Three consecutive losses followed as the MHS cagers fell to Hattiesburg, South Natchez, and Murrah, ending hopes of taking the Brookhaven Tourney.

The Tigers next scored another big tournament win as they took the Bogue Chitto Tourney with victories over Enterprise, South Natchez, and Brookhaven. The Tigers kept the streak going with a South Pike win, but fell to South Natchez in their next outing.

The roundballers again scored big in tourney play. With wins over Liberty Central, Tylertown, and South Pike, the Tigers added the South Pike Tournament to their impressive list of tourney wins.

McComb Loses Big Eight; Nips South Pike

The tigers came back from the South Pike Tourney with another victory against Brookhaven. Next came a disappointing loss against North Natchez followed by a comeback victory over North Pike 63-39.

The tigers next traveled to Picayune for competition in the Big Eight Tournament. The Tigers won the initial bout against North Natchez 59-56, only to fail in their tournament attempt by losing to South Natchez 47-62. The Tigers returned to play South Pike in what was expected to be pushover win. The game was hardly a pushover, however, with the McComb Cagers squeaking past South Pike 49-48.

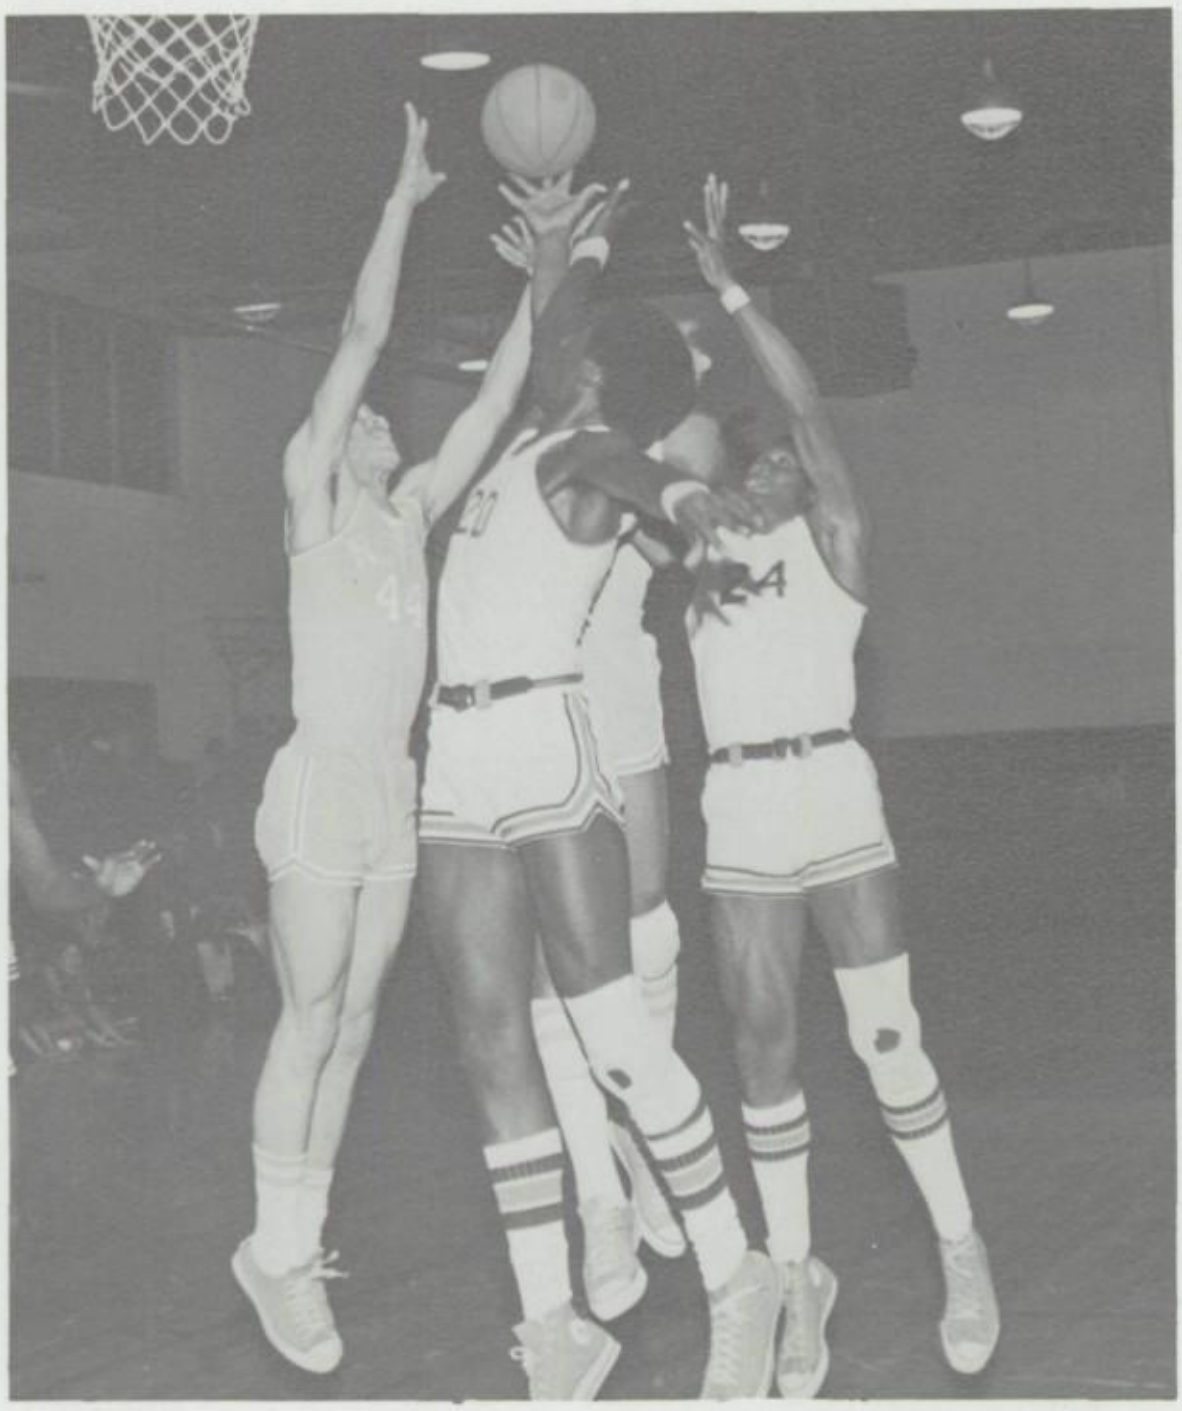
Tigers Choose Court; Take District



For the first time in MHS basketball history, the MHS ball club chose a basketball court. The court consisted of eight maids who were chosen by the players and presented to the fans during the halftime of the Tylertown game. The Tigers took the Tylertown clash 47-43.

The ball club came back from the Tylertown game with a 45-50 loss to Laurel the following week. The Tigers closed out the year on a victorious note however, winning over South Pike, Fayette, and Hazlehurst to take the District Seven Tournament. The Tigers ended the year with 23 wins, 10 losses, and 4 tournament wins to their credit.

Basketball Cheerleaders Aid Winning Season

The Tigers held a winning season because of two things: effort and team support. Led by head cheerleader Potter Lynch, the basketball cheerleaders pushed the Tigers on to a winning season by constant backing and encouragement. Without the type of support given by these cheerleaders, the Tigers could not have hoped for as good a season. The 1975 basketball cheerleaders included: Potter Lynch, Sandra McGuire, Lee Esther Butler, Jane Izard, Karen Kavanay, Terri Anderson, Ginger Varnell, and Tanya Jenkins.

Netters Meet Natchez; Host Murrah

The McComb High Tennis Team started the season with a match against Natchez Cathedral on March 18. The next two matches were home meets against Murrah and North Natchez on March 21 and 24.

Celia Wagner and Jane Izard highlighted the squad in Girl's Doubles, with Jeff Daughdrill playing Boy's Singles. Nannette Felder played Girl's Singles, and Jimmy Howell and Kevin Matthew worked together in Boy's Doubles. Ooper Jones and Tracy Felder played Mixed Doubles. Tennis coach was Coach George Burris.

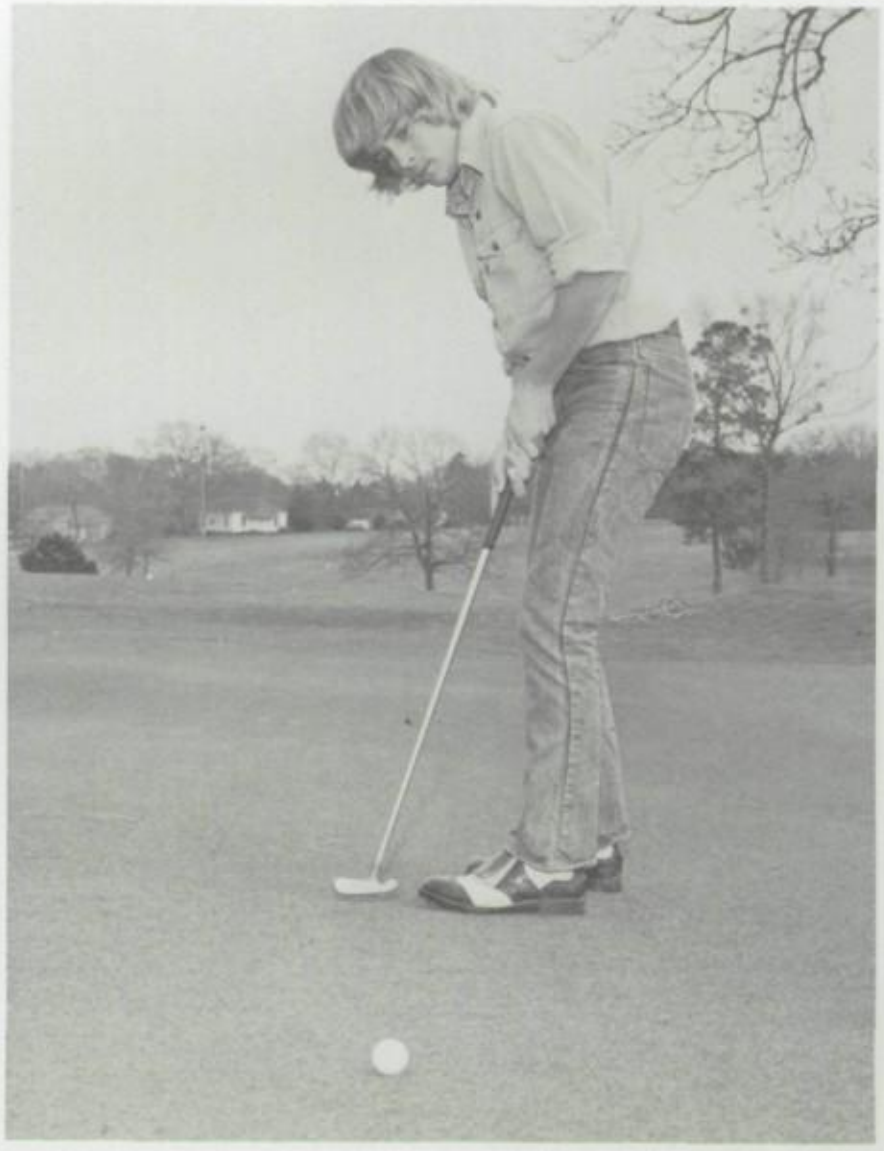
Duffers Host Jackson, Natchez In Tourney



The MHS Golf Team opened the season by hosting the McComb Invitational Golf Tournament. Participating in the tourney were MHS, Jackson Provine, Natchez Cathedral, and South Pike. The tournament was held at the Fernwood Country Club on March 17.

The duffers traveled to Jackson, Hammond and Bogalusa to compete in matches against area schools.

The 1975 MHS golf team included: Mike Rooker, Ken McDonald, David Kavanay, Bruce McDaniel, Terry Jones, Kent Cantrell, Henderson Watkins, and Winston Walker. The sport was coached by Mr. Ken Nelson.

Runners Compete in Indoor Invitational

The MHS Track Team began its season by competing in the Mississippi Indoor Invitational Meet held in the coliseum in Jackson. The meet was a preseason event designed to give runners a chance to compete against runners which they would come up against in later meets.

Other meets for the team included a meet against Forrest Hill High in Jackson, and a triangular meet in which MHS, Central High, and Provine High competed. Track was under the direction of Coach Tommy Henry.

A girl's track team was also introduced this year for the first time. Under the direction of Mrs. Mille Thomas, the girls competed against other girls across the state. The girls ran against area schools in the regular scheduled meets.

Tigers Lose Initial Bout; Stomp Franklinton

The MHS Tigers opened up the 1975 Baseball season with a loss to Hammond 5-1. The Tigers came back in the next game with a 12-0 romp over Franklinton. The ballplayers lost in a third game 4-8 to Slidell.

Infielders for the 1975 team included: Julius Love, Mitch Bellipanni, Charlie Wall, Lloyd Hewitt, Clenard Caston, Mike Burke, and David Reynolds. Out-fielders were: Rusty Covington, Tim Kavanay, Wayne McGhee, Glen Young, Mike Vest, and Ronnie Williams.

Pitchers for the squad included: Joe Gayden, Tony Causey, Doug Taylor, Scott Oakes, and Larry Holmes. Catchers were Paul Young and Steve Barksdale. The sport was coached by Mr. Tommy Allen and Mr. Menton Matthews.

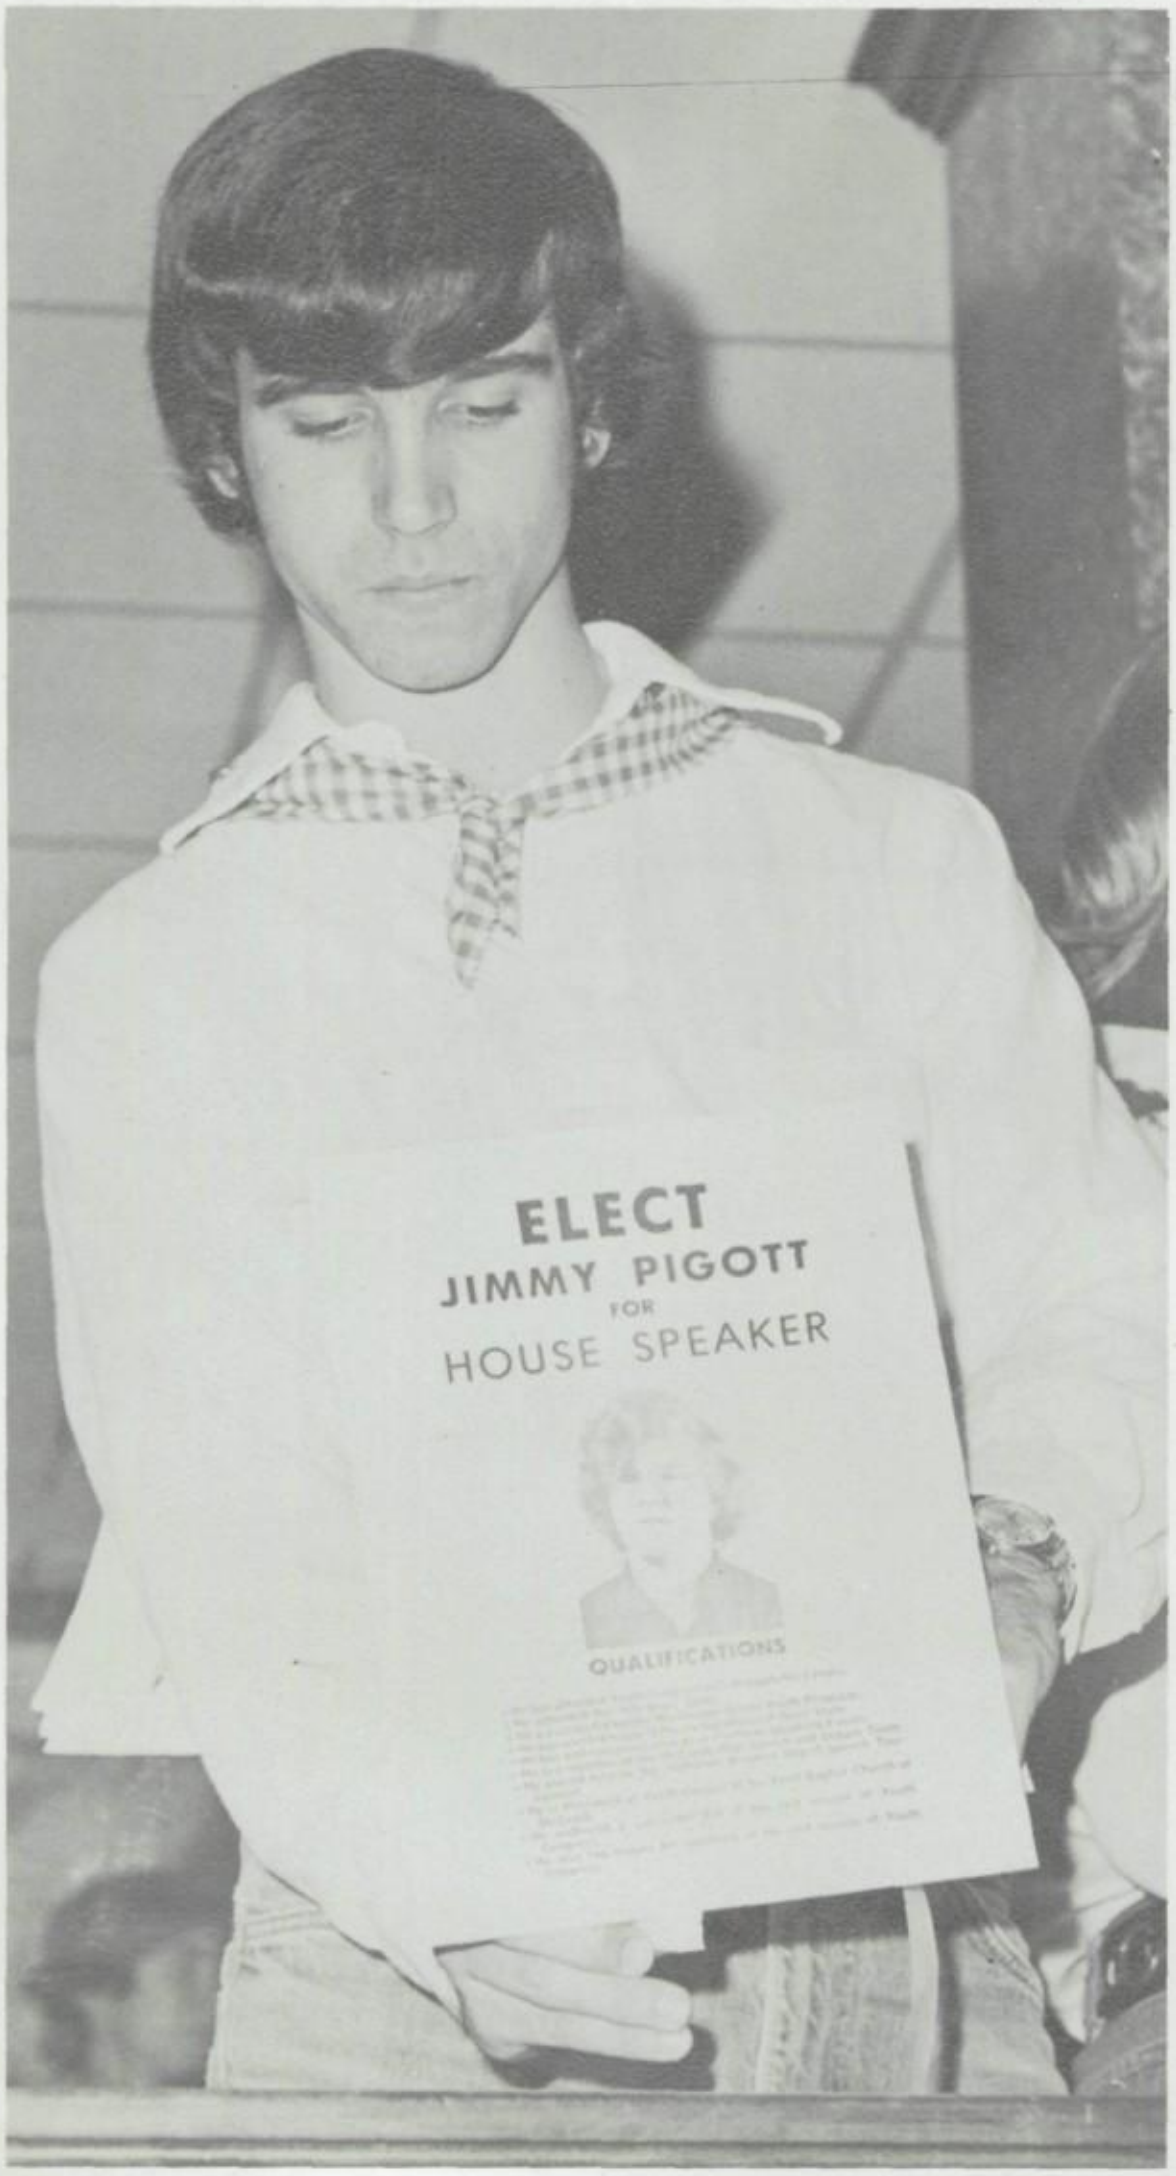
Moses Makes Successful Bid At Youth Congress



Students of McComb High attended the 27th Youth Congress held at the Hilton Hotel in Jackson. McComb High sent three delegates to the meeting along with a host of backers in hopes of winning a post in the house.

Delegates from MHS were Bruce Moses, running for House Clerk, Jimmy Pigott, running for House Speaker, and Jay Johnson. Moses staged a successful campaign and was elected to the Clerk position, making him the first successful delegate to represent MHS in the statewide Youth Congress.

Senior Class Presents "Junie Moon"

"Tell Me That You Love Me "Junie Moon" was presented by the Senior Class on the nights of December 9 and 10.

The story is of three handicapped young people who decide to leave the hospital where they are confined and face life together. It delves into their lives outside the hospital and the problems they have adjusting to normal life in the outside world.

The three young people, Junie Moon, Arthur, and Warren are played by Marcia Schuldt, Doug Akins, and Brad Pearson, respectively.

Other members of the cast include: Minnie, Mary Cutrer; Dr. Kirkland, Gary Freeman; Miss Holt, Leah Case; Miss Oxford, Mary Beth Fessmire; and John Goren, David Reynolds.

The cast also included: Marilyn, Cindy Culp; Sidney Wyner, Jay Johnson; Gregory, Liz DeCoux; and Mario, Keith Smith.

Offstage voices for the performance were supplied by: Francis Jones, Susan Izard, Darlene Godbold, Steve King, and Mitch O'Quin.

Members of the stage crew included: Don Brumfield, Ronnie Johnson, Randy Wells, Rex Ott, Bennie Bacot, Ralph Lewis, Bill Jones, Larry Coney, Mitch O'Quin, and Teresa Elmore.

Those in charge of promoting the performance were: Bruce Culp, Gail Brooks, Cindy Clark, Bruce Mosest Kammery Forrest, Cindy Etheridge, and Bob Myers.

The play was directed by Mr. Bob Jones and his assistant, Steve King.

"I Saw It Coming, And It Looked Like A Funnel . . ."

"I saw it coming up the street and it looked like a big funnel. You could see fire when it hit those electric wires."

A tornado slammed into McComb on the morning of January 10. The Friday began as a normal Friday, with students settling into their first period classes. As winds grew higher and rain poured heavier, students cast anxious looks outside to see what was happening.

As the sky got darker, an unfamiliar roar was heard and electric lines began to snap, showering fire and sparks into the neighboring streets. Students were hustled into the halls as the power went dead.

Students were quickly moved back into class as the winds settled. Slowly the news filtered up through the corridors. It really was a tornado.

Students learned that the Southwest Mall and North Pike Elementary School had been hit, and so had Otken School. Some began to cry, not knowing whether younger brothers and sisters were safe. Some wondered about their homes, which were in the area. Some feared for parents lives, knowing that they were home when it hit.

School was eventually dismissed, and students went home, or back to what used to be their homes. Some came home to find houses demolished, and worse, friends and relatives hurt, or dead.

Some members of the MHS community find their particular spot within the organizations sponsored by the school. Their are places within the various clubs for virtually everyone, but it is up to the individual to establish his or her position.

The spot that the person chooses may be that of an officer of the organization, or it may be that of a member, but it is still a place.

MHS offers almost every opportunity for a person to become involved within a club or organization. From a Crafts Club, designed to stimulate creative interests, to a club designed to further student interest in science, the opportunity to be involved in club activity was there.

Organizations

ABOVE: The Senior Tornado Crew, definitely an organization. Members include: Tyler, Vest, Fowler, Myers, Fortenberry, Big Jim, Akins, Freeman.

McComb High held the opportunity tor students to seek a spot within the organizational realm. A student only had to have an interest in a particular subject, and a club gave him the chance to share his interest with others holding the same interest.

An individual had the option of taking part in a club as a leader or a listener. He could find his own particular spot in any particular way he wished. The club gave students the chance to find a place, and many students found their place, their own spot, within an organization or a club.

Highlighting the activities of the MHS band was a spring clinic sponsored by the band. Students from area high schools attended to compete for positions in the clinic ensemble. Students attending the clinic were also given the opportunity to gain further knowledge of their particular instrument and how to perform as an integral part of a large band group.

Other activities of the MHS band included a concert in Tupelo, solo and ensemble groups, and participating in the fair parade and the homecoming parade.

The McComb band also played an important part in increasing spirit in football and basketball pep rallies. The pep rallies would never have been the same had it not been for the presence of the Tiger Pep Band.

Basketball Homecoming Sponsored By Council

The Student Council broke with tradition this year and sponsored a basketball homecoming complete with homecoming court. Proposed in years before, this years council decided to act upon the matter and was met with success.

The Student Council also sponsored the football homecoming as had been done previously. A student suggestion box was also placed in the office for students to use as a direct line to the council members.

Library Club Attends Southern Book Festival

The McComb High Library Club highlighted its activities by attending the annual Book Festival held at the University of Southern Mississippi. Library Club members also observed National Library Week, Children's Book Week, and other Library-oriented days.

The Library Club is composed of members of the student library staff. It has accepted the motto of "Service" for its yearly theme.

Purposes of the Library Club are to improve the school library, arouse further interest in, books, and to encourage interest in the library profession.

Officers of the club include: Barbara Smith, President; Patti Mote and Ellen Swanigan, Vice-Presidents; Alfreda Gatlin, Secretary; Tonzi Hardges, Assistant Secretary; John Bacot, Treasurer; Alfreda Williams, Parliamentarian; and Anthony Jackson, Business Manager.

Jerry Boyanton was in charge of bulletin boards and room decorations. The club was sponsored by Mrs. Ora Nance Lewis.

VICA Club stresses Practical Trades

The MHS Chapter of Vocational and Industrial Clubs of America stressed pride in practical trades along with skill and craftsmanship. The club is associated with the vocational courses offered at the MHS Skill Center, and members are involved in these courses. Members came from the Drafting, Electrical, Automotive, Masonry, and Carpentry Departments at the Skill Center.

The club offered outlooks on job opportunities and gave a view into the skills needed in the everyday working world. Members met biweekly to discuss problems in their particular vocational fields and to seek solutions to them.

The club was sponsored by Mr. Devoy Dunnaway, Mr. John Tynes, and Mr. Obydee Nunnery.

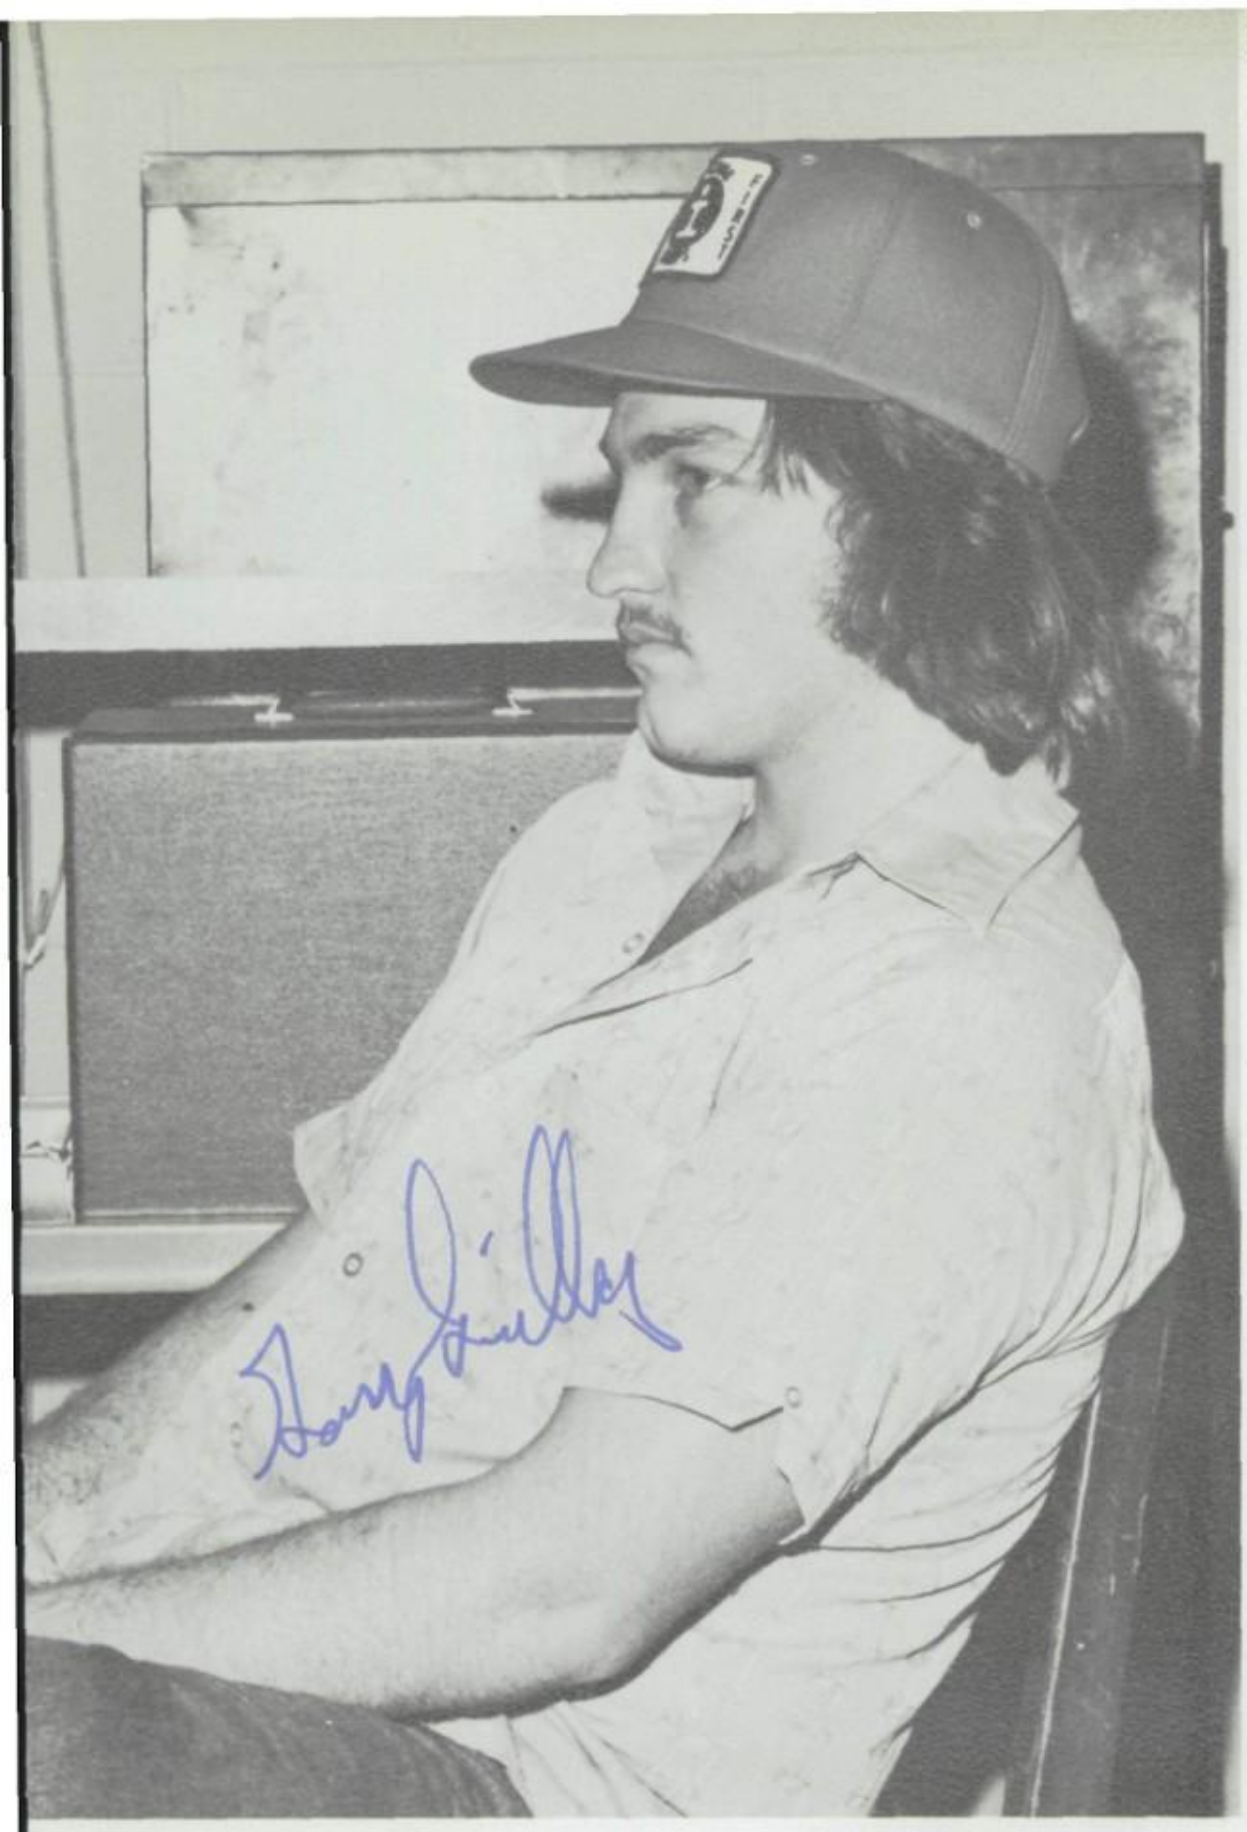
"Discovery Of Business World" FBLA Theme

"Discovering the World of Business" was the theme of the 1975 chapter of Future Business Leaders of America. The club consisted of two seperate groups this year, one in the activity period, and one held on week nights. The night group was formed to accomodate members holding jobs and unable to meet in the afternoon.



Officers of the night chapter included: Suzanne McMurphy, President; Shirlyn Taylor, Vice President; Betsy Enochs, Secretary; Ann Albritton, Treasurer; Becky Wilkinson, Reporter.

Officers of the afternoon chapter were: Kent Fortenberry, President; Kathy Robertson, Secretary; David Reynolds, Vice President; Cindy Culp, Treasurer; Kathy Dunagin, Reporter. Sponsers for the chapters were Mrs. JoAnn Carruth and Mrs. LaVerne Prince.

Drama Club Presents Musical Production of "Oklahoma!"

The Drama Club and the student body of MHS presented the musical "Oklahoma!" on the nights of March 6,7, and 8.

The play dealt with the settling of the Midwestern Plains and takes place in the early part of the 19th century. In involves the problems faced by the early pioneers and how they solve them. It studies the inner conflict between members of the pioneer group as they seek to forge the heart of a new nation.

Main characters in the production included: Laurey, Janie Sue Weekly; Curley, Keith Smith; Aunt Eller, Mary Beth Fesmire; Jud Fry, Jimmy Pigott; Ado Annie Carnes, Paula Haynes; Will Parker, Bruce Moses; Andrew Carnes, Bennie Bacot; and Laurey, Darlene Godbold.

FHA Members Attend State Meeting; Host District

The MHS Chapter of the Future Homemakers of America attended the State FHA Meeting held in Jackson on April 3 and 4. The chapter also hosted a district meeting of area FHA groups at Southwest Junior College.

Other activities of the FHA included entering a car in the homecoming parade and staging fund-raising raffles. The McComb Chapter of FHA was sponsored by Mrs. Vera Butcher.

FHA Officers: Back Row—Hazel Quin, State Vice-President; Tempie Barnes, Song Leader; Thomas Miller, Reporter; Barbara Smith, Parliamentarian. Front Row—Dorothy Ross, Treasurer; Patricia Clark, Secretary; Sandra Tobias, Vice-President; Joyce Simmons, President.

DECA Develops Future Leaders

The McComb High DECA Chapter highlighted its activities by sending gifts to patients at Whitfield, and by hosting the annual Employer-Employee Banquet. The chapter was designed to provide members with the knowledge and skills needed to become successful business leaders.

Three students from MHS were honored in the District DECA Contest held here. Joey Kenna was chosen Star Student, Becky Crittendon won in the Job Interview category, and Rusty Boone took second place in the Sales Demonstration category.

Language Clubs Learn Customs, Lifestyles

Students at MHS organized three language clubs this year. Latin and French Clubs, under the direction of Mrs. Louise Quin, and the Spanish Club, sponsored by Dr. Gabriel De Los Reyes, gave students insights into languages and life in other countries.

The various clubs sought to portray the customs and lifestyles of people in foreign countries, in addition to teaching members the languages involved.

Highlights of the Latin Club were the formation of a Junior Classical League, which was designed to help students appreciate the art and literature of Early Greece and Rome. The Latin Club also sent a large delegation to the annual Latin Convention in Jackson, March 7. Spanish Club members also attended the AATSP Contest in April at the *University of Southern Mississippi.*

Mu Alpha Theta Takes Top Honors In Homecoming Parade

Mu Alpha Theta is an organization consisting of students with an 'A' or 'B' average in mathematics. The purpose of the organization is to promote scholarship and to broaden and deepen the mathematical interests of the members.

The Mu Alpha Theta also seeks to increase the members' knowledge of mathematics and to pass on to others an appreciation of the values and beauties of math.

The club won top honors this year in the homecoming parade as it was awarded the first place ribbon for 'best decorated automobile.' Other projects included a rummage sale and the distribution of Christmas packages to an elderly couple.

Officers of this year's chapter included: Doug Akin, president; Teresa Allred, vice-president; Marcia Schuldt, treasurer; and Laura Moak, secretary. Mrs. Barbara Alexander sponsored the program.

Jets Stress Practical Sciences

Jets Club formed this year with the election of Jets officers Kent Fortenberry, President; Mike Vest, Vice-president; and Charles Jackson, Secretary-Treasurer.

Jets members furthered their scientific interests by meeting each Tuesday night to view constellations, stars, and planets. Jets members sought to study other practical aspects of science by planning a ham radio station. This station would be set up to communicate with other high school stations across the state. Jets students also collected money for scientific projects by collecting bottles for deposit. Other plans included a McComb High Science Fair in the spring.

Jets sponsor, Mr. Thomas Johnson, stated that the Jets Club consisted of science students with a "B" average and an interest in practical scientific approaches.

On November 7, 1974 the National Honor Society inducted 32 new members. The seniors were: Kathy Alexander, Liz Decoux, Teresa Allred, David Fowler, Kent Fortenberry, Suzanne McMurphy, Lillian Montalvo, Cindy Etheridge, Leah Case, Ann Albritton, Becky Wilkinson, Lynn Felder, and Kay Stewart. Juniors included: Laura Moak, Joyce Smith, Sharon Ridley, Karen Kavanay, Cindy Clark, Sack Kimmel, David Stevens, Bruce Moses, Jane Izard, Janet Stewart, Brenda Price, Brenda McKenzie, Dennis Crimiel, Carol Woodward, Wayne McGee, Thad Hopper, Paul Young, Bobby Coney, and Barbara Smith.

Highlighting the evening were Dr. J.B. Fowler, pastor of McComb's First Baptist Church, who spoke on knowledge, and officers Gary Freeman, Ruby Turner, Beverly Williams, and Walter Brekeen, who spoke on the four bases of the NHS, service, leadership, character, and scholarship. President Joey Kenna spoke on the history of the McComb Chapter.

Tiger Rags

Published Monthly

Tiger Rags, "The Voice of the Tiger," was published monthly under the direction of Liz DeCoux, editor, and the Tiger Rags staff. The publication included a feature article, editorial, sports columns, and a new addition, "The Scoop Sisters" column. The Scoop Sisters sought to publish hitherto unknown tidbits of personal trivia gleaned from the proverbial 'grapevine.' Needless to say, it made exciting reading and was generally the first item read by students. The publication was sponsored by Mrs. Lydia Nelson

Students find places in all aspects of school life. Some become involved in the academic realm of McComb High. Students may become interested in academics due to their desire for knowledge, or their desire for acceptable grades. Interests in academics can be valuable to students for college scholarship purposes, or more importantly, academic interests can benefit students by simply fulfilling their desire for learning.

The basic function of a school is to provide knowledge for its students and provide it in a pleasant and enjoyable manner. McComb High certainly fills these needs. It supplies varied knowledge for students, and it does so in a relaxed atmosphere, and in a manner conducive to learning.

It is easy to why some students seek their place in athe academic areas of McComb High. There is a place for everyone in our school, some fit into sports, some find their place in music, and some find their place in academics.

Teachers Prepare Self-Evaluation

The teachers and administrators of McComb High were involved in a self-evaluation of the secondary schools in the McComb area during the 1974-75 term.

Using evaluative criteria developed by the National Study of Secondary School Evaluation, committees of teachers and administrators worked for the past two years writing philosophies, objectives features, and recommendations for their specific department.

Through the study, the teachers have tried to measure the effectiveness of the school and to stimulate the community of McComb toward helping establish a planned program of growth.

A bound copy of the self-evaluation was provided each teacher and administrator.

A visiting committee, made up of fifty teachers from various schools and colleges in Mississippi along with members of the State Department of Education, provided a check on the evaluation program March 10, 11, and 12.

The check was made in an effort to interpret the work of the school to the community, and also to provide accreditation and approval of the McComb Secondary School System.

These are the folks that put up with us seven hours a day, five days a week. They hear complaints, issue books, make change, discipline students, discipline teachers, change schedules, stop fights, attend meetings, and in general are held responsible for all that goes on within these hallowed halls 140 hours j month, 1,260 hours each year, and still they manage a smile and a "Good Morning" every day. Maybe that's what's called devotion, cause they're sure not in it for the money. Thanks.

Business Office Education allowed students to participate in actual on-the-job training in an actual office environment while attending school. BOE students received a double advantage as they attended school and gained valuable vocational training at the same time. BOE was taught by Mrs. Jo Ann Carruth.

Under the direction of Mr. Rex Hiatt, new to the McComb system, Distributive Education students attended school half a day and received job training after noon. In this manner many students were able to establish a position and also earn money to provide for college and future expenses.

Quantity Foods, under the instruction of Mrs. Doris Millican, taught students the use and operation of modern kitchen appliances, and the methods used to feed large groups. Students served the noon meal in the Tea Room.

Graphic Arts, under the direction of Mr. Robert Capps, taught students the skills involved in operating printing machinery. Students also worked in the field of photography and printmaking. The graphics class also printed many school-related items including letterheads and papers for the middle school.

Mr. Devoy Dunnaway taught Drafting students the skills involved in architectural drawings and elevation rendering. Highlights of the year included drawing plans for a model home and then constructing it to scale.

Building Trades, under the direction of Mr. Obydee Nunnery and Mr. John Tynes taught students the skills involved in building construction. Included in the curriculum were masonry, carpentry, and electrical wiring.

English Groundwork Laid At Denman

Denman English students were given a thorough background in the forms and usage of the language. Denman instructors Mrs. Gale Bolian, Mrs. Mildred Brabham, Miss Alice Ann Fesmire, Mrs. Louise Sanders, Mrs. Mary Knox, and Mrs. Kay Jones sought to give their students a well-rounded knowledge of the language both in grammar and in literature.

Through these fine instructors students at Denman were able to receive the highest quality English instruction in preparation for further studies.

From computers to geometric Christmas trees, Gibson students found that mathematics could really be fun! Mr. Joe Jolly, math and data processing instructor, provided directions in the operation and use of computers in the computer center. Mrs. Barbara Alexander provided algebra students with practical uses of their mathematical knowledge by having them decorate a Christmas tree with geometric ornaments. Mr. Ken Nelson and Mr. James Jackson gave varied instruction as they involved their students in the intricacies of senior math, algebra, and geometry. Math students were offered the best possible background in mathematics studies. Serious students were privileged to obtain knowledge in virtually all areas of practical math, if they so desired.

Mr. George Burris and Mr. Donald Dick related events, both past and present, on a world-wide basis as they taught world history courses.

History studies diversified as Mrs. Jane Walman taught such specifics as economics, government, and American democracy problems. Mrs. Alice Coney gave the history program a very specialized note as she instructed Afro-American History.

History Students Learn Of Heritage

Through Mississippi history courses, students became aware of the heritage of their own state. Under the instruction of Mr. Charles Everette and Mr. Thomas Allen, Denman students gained valuable insights into the history of the state which many had resided in for most of their lives.

Coach Everette and Mrs. Shirley James gave students the background needed for high school history courses as they taught social studies courses. Panel groups and class discussions highlighted the year as students gained practical knowledge of their surroundings.

Languages Portray Various Lifestyles

Under the direction of Dr. Gabriel de los Reyes and Mrs. Louise Quin, the language department stressed understanding and usage of languages other than English. Students were taught not only the structure of the language but also the lifestyles of the original users.

After the first usual weeks of structure learning, students began experimenting with their new linguistic skill. As their knowledge of the languages increased, students eagerly learned of the customs, religions, and everyday life of the original users of the languages. Students were not only given an opportunity to learn the language, but to live it as well.

Artists Find Outlet in New Course

McComb High students were given the opportunity to express themselves in creative art projects for the first time this year. Under the direction of Beverly von Kahn, a graduate of Mississippi State, students were involved in interior decorating, color value studies, graphic design, and color intensities.

The students were given the opportunity to draw on location as they went outdoors in search of subject matter. Students painted, drew with pen and ink, lettered, and drew floor plans. At long last, art interested students found an outlet for their talents.

Homemaking students learned how to plan and prepare meals for family members. Students also learned to plan meals according to the basic food groups and to prepare foods on a specific budget.

Students were also given the opportunity to learn to sew and to use household appliances such as the oven, stove, and mixer. The students also were taught floral design and fashion coordinating. Later in the year students competed against one another in a floral design contest.

Girls' P.E., under the direction of Mrs. Evie Carter, Mrs. Carolyn Casey, and Mrs. Rebecca Izard, enjoyed such activities as ping-pong, shuffleboard, and archery.

Boys' P.E. included football, soccer, track, and weightlifting. Particular emphasis was placed upon weightlifting as a means of insuring good body coordination and tone.

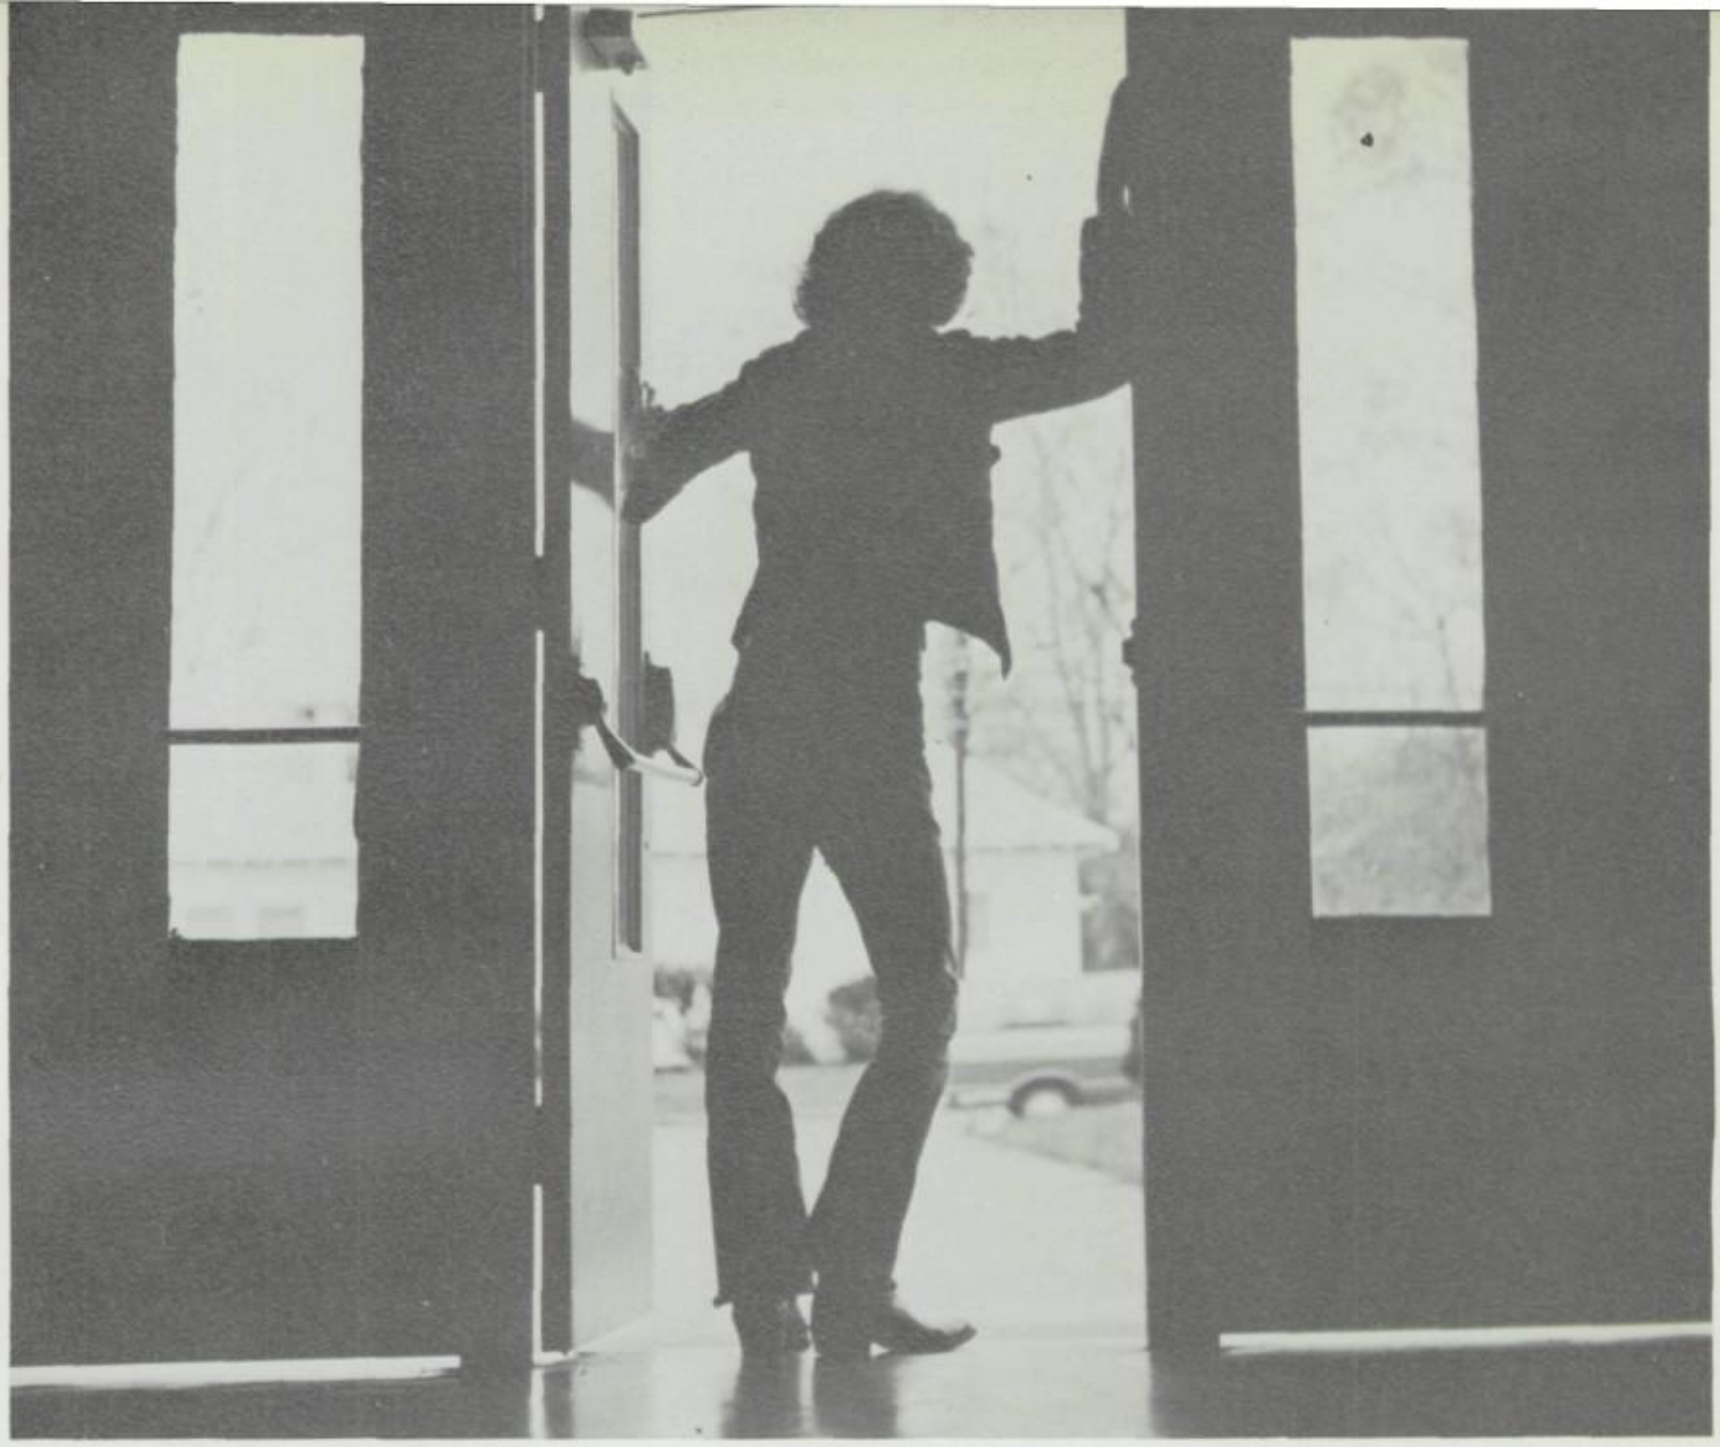
Some
Have Found
Their Place . . .

Others Have
Years Ahead
To Look . . .

ABOVE: Bruce Moses. LEFT: McComb High School.



But Some Have To Begin Looking All over Again . . .

ABOVE: Kent Fortenberry.

Some found their place... some have years ahead to look... But some, especially Seniors, have to start looking all over again... Maybe we found our place at one time within our school, but now our place of leadership must be handed to others, for them to pick up our search where we left off.

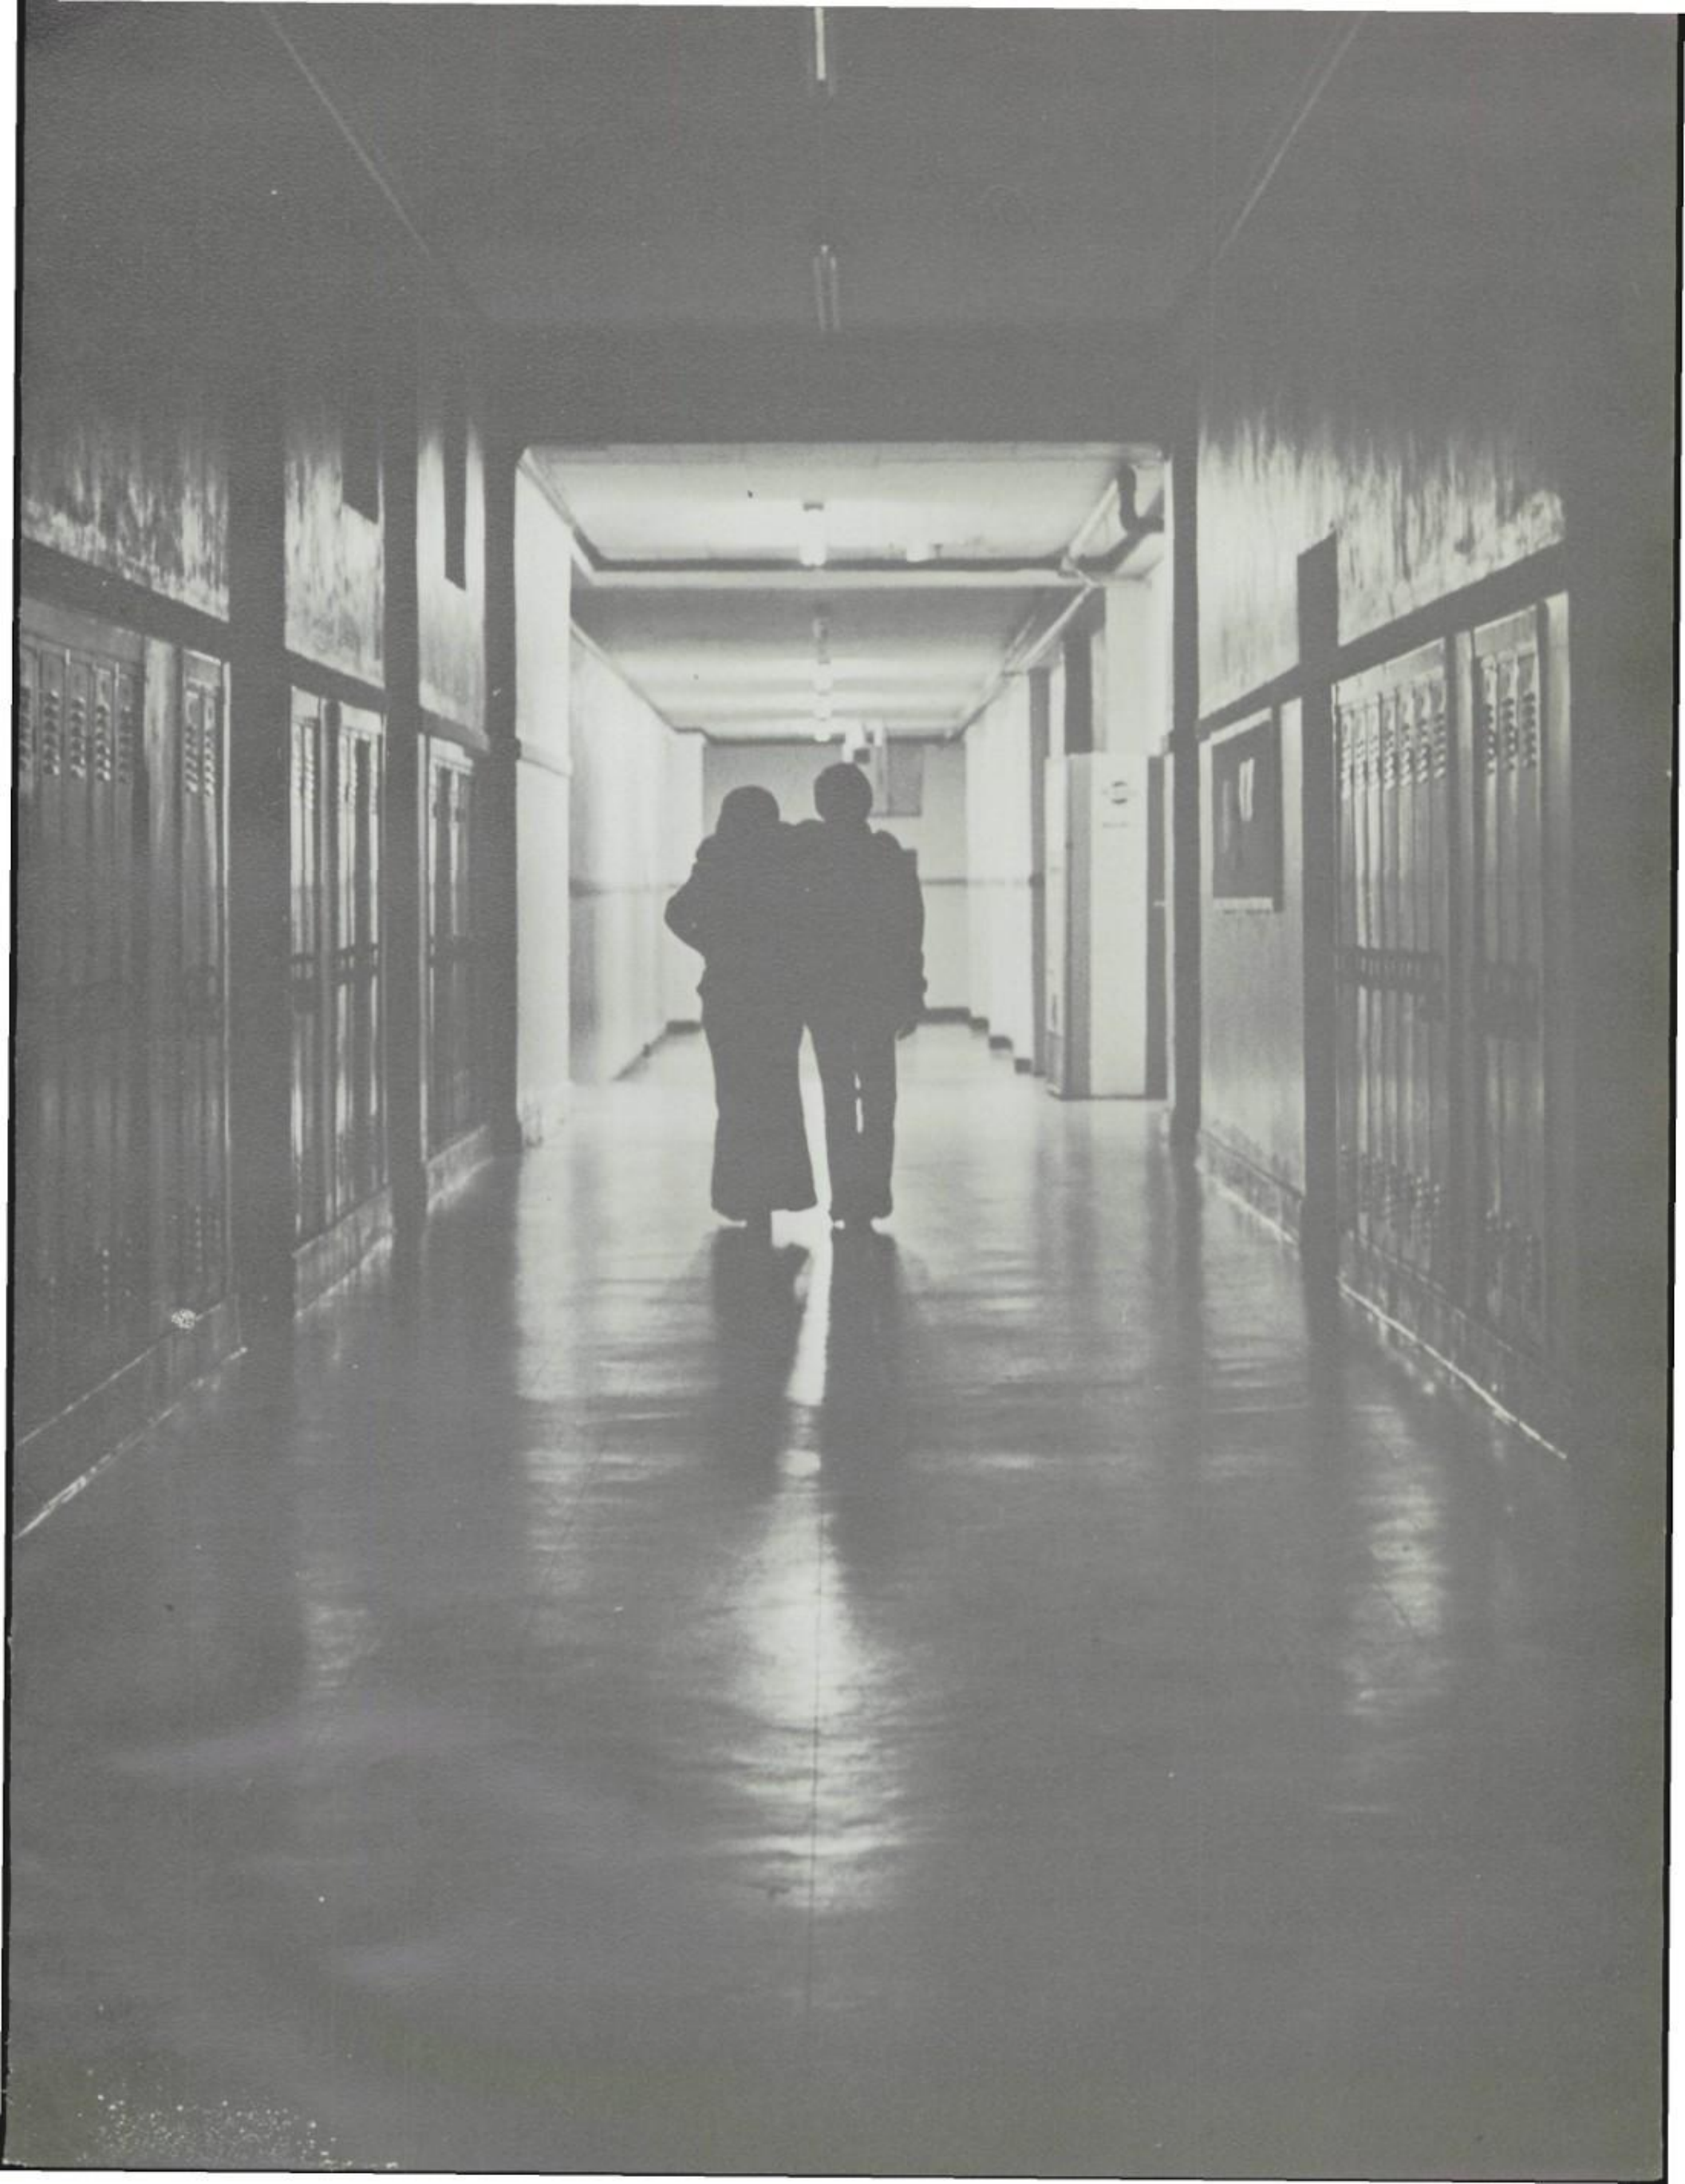
Maybe we found our place, our spot, in that wild Homecoming week... That was a time that was so great that we'll never forget it, yet it hurts to remember it, and all those other times like it, because we realize that now those times are only memories. Maybe we found ourself in trying to lift that crazy Volkswagen on to the roof, the VW that never quite got off the ground. Maybe we found our place in walking around the campus with a portable 8-track player listening to Al Green or "Skin Tight."

Maybe we found our spot in just sitting on that ugly, brown wall heater, the "Senior Heater", and watching life pass by... Or maybe in climbing into somebody's car and trucking down to McDonalds. So what if Senior Priveleges hadn't been issued yet, or what if we weren't even a Senior!

Some found their place... some are underclassmen and have years ahead to look... But some, Class of 1975, have to start looking all over again...

"To each is given a time to live, and a time to die... and a spot to fill. It's up to each of us to mold our spot to fit us, or mold ourselves to fit our spot, our place, our own personal position."

Unclaimed Quotation



Dear Bruce,
One more year gone for me! Thank goodness!! I have a sense that we'll be much more successful although you'll probably be glad to get rid of us. Best wishes in the year to come. Remember us fondly around Reno and please know you always have friends.

Janice,

Well it's been a long year, & I'm a little sad to see it go. You have really been a "soul-buddy" of mine. Remember the good ole' Bank of McComb — get that $10 & split. And we can't forget "THE ORIOS" - whee! Such fun. Remember all the car washes. How can you forget, huh? Remember the elections. Janice, you are one of the sweetest girls that I know. Don't ever change. I'm sure that whatever you reach for in life, you will get - You always have been a leader - Don't change & help others who aren't as lucky. You have a gift for it.

SPS '75

Love ya,
Janellyn

Janice,

Thanks for being one of my bestest friends ever! I couldn't have made it without your friendship. Just cuz you go off to college don't mean you can't keep in touch. You write me, hear? P.O. Box 212 McComb, MS And if you ever see me on the street - grab me and hug me (and all my kids, too) (I'm afraid they may not be Dougs) Oh well! Stay the same, Nun. You're gonna go far in life. I'll never forget ya EVER! Love ya bunches,

MaryBeth

Jan,

I don't know about you, but it has been great to have known such a wonderful person such as D.N. (me) Jon, all the time that I've known you, you have been my idea of a perfect person to be around. When I was out on the basketball court playing my poor heart out just the loud sound of your voice made me play that much harder. I say that when I attend S.W.Jr. College in August I hope that some one like you is cheering me on, to give me that extra boost. Hey! and also tell Ralph that I consider him to be a very luckily guy. "The Best of Luck to You!" Cousin + Friend "T." Felder

Janice,

I just can't believe this is the last day. I'm excited & scared at the same time. You know what I mean? Janice, I just can't tell you how much you mean to me. We have had so much fun together. Ever since P.E. in the 8th grade. We have been buddies so long so let's not stop now. When I find out what my address will be up at the "U" I'll send it to you. If I ever get a "lover" (which I doubt will happen) I'll let you know about it in a hurry. Janice if you ever need a friend I'll always be there for you.

Love ya always,
Potter

Janice,

Well, they're finally here... We had some good times working on this book. I'll never forget sixth period annual, parties, kicking people out and meeting deadlines. Janice, I'm really so glad I got to know you. You're a great friend and mean a lot to me. Janice, you'll have to keep me informed with your plans in the future. Best of Luck always

Love,
Lillian

Janice,
I always have enjoyed
your friendship even though
once it was more than that
and sometimes I'm very grate-
ful to have had the chance to say
to you though it wasn't much I
did admired you. I think you
are very nice and sweet and I hope
you will always stay that way and if
we shall meet in the future I hope
then we will be more friendly and
nicer to each other.

a friend always
and love ya too!!

To Janice
It has really been
Knowing a nice look
woman like you if only
I had know you'd only
stay sweet and Remember
me

Love ya

Janice, we did have our ups and downs but I had a lot of fun with you. I had a lot of laughs with you. I had a lot of fun with you. I had a lot of fun with you. I had a lot of fun

Dear Jan,
The year has almost
come to a close and I
must say it's been a wonderful
year being associated with you.
I hope that when you take
the road to success you find only success.
May your life be filled with only the
joy of the world. Remember me as a
"special friend".

Love
Dennis M. Schmidt.

Dear Janice,
It's been nice
going to school
with you these years.
You are one of the nicest
ladies I know. It
was nice having you cheer
us during the basketball season (Smile)
for one. Have a friend, always a friend,
and may you have all the success in
the world. "75"

Dear Jan,

Well we are on our way. Two bad its all over. We have had so much fun together this year. We have had things that I couldn't believe we did. Sometimes I think we can't believe we are going to do the things that we do. I know that I can't help it! Gilda & Jan tell on me!! I just can't believe its Time I'd feel funny not writing you and memories that we have. I'll miss my good looking high school boy friend. I hope you are over it. I hope you and I can get married! I hope you stop worrying about that. I hope you know that I will not make any sense but for I don't know anybody in the world like me!! I just can't believe it is at an end. We say Knock wood and get by this time. I know that this is all a not crying. I'll miss you. Its all I can't help it! Gilda & Jan tell on more about each other than I'll miss you. I'll miss you. I'll miss you.
